Friendly, Locally Owned Cafe is Hit with Neighbors

Laurie Lieber is the owner and operator of Tasty Treats Café, located in beautiful Central Oak Park, right in the heart of St. Petersburg. She has had a love for baking and cooking since she attended a summer cooking camp when she was 7. When Covid caused lay-offs, she decided to turn that passion into a career. She started Tasty Treats as a cottage kitchen bakery, building momentum in her neighborhood.

diabetic friendly options. She can also make pet friendly treats. She wants to make sure that everyone can enjoy her goodies without feeling excluded!

She is so excited for what the future holds for her, her family, and Tasty Treats Café. She would love the opportunity to customize a food or

dessert tray for your next event, or design your custom cookies or cake to make your next special occasion even more memorable!

Two years later when the opportunity to open a Café in her neighborhood, and expand her menu, she took that leap of faith with the help and support of her husband. She now has coffees; breakfast options, like scratch made sausage gravy on fresh baked biscuits, custom breakfast sandwiches; lunch options, including sandwiches on rustic panini bread, salads, and flat bread pizzas; and her bakery items.

She also offers, by request, a variety of her products in vegan, gluten-free, and
